Regardless of the stage in which you find your church, it carries with it the world's greatest mission-to go and make disciples of all the nations. With eternity at stake, the Church should be doing most everything within its power to see lives changed forever. The Church should strive for the pinnacle of the lifecycle, where they are continually making new disciples and experiencing what acclaimed leader Tony Morgan refers to as sustained health. In The Unstuck Church, Morgan unpacks each phase of the church lifecycle and offers specific and strategic next steps church leaders can take to find the way to sustained health-to finally become unstuck. The Unstuck Church is a call for an honest assessment of where our churches sit on the lifecycle and a challenge to move beyond that point.
